# Defend and Publish

Episode 28 (Digital) Desktop Organization to Increase Productivity
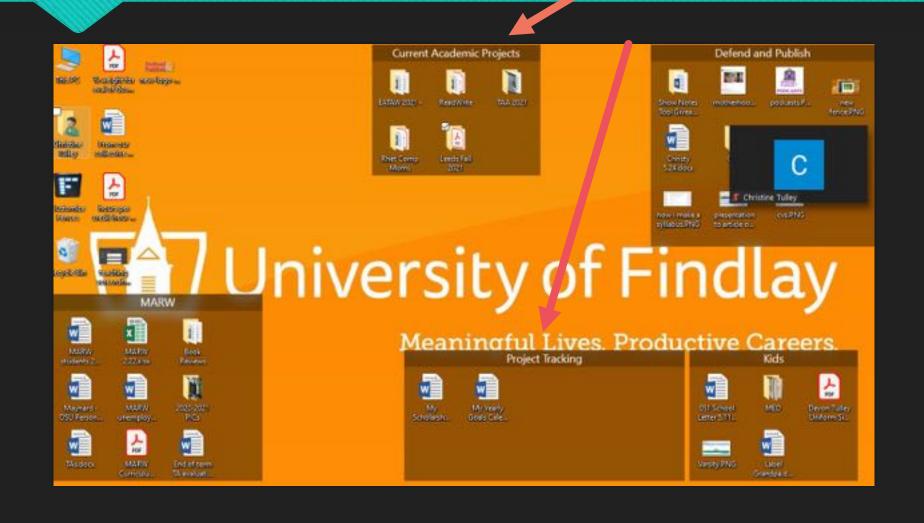

Two areas where the digital desktop can help writing productivity

- Establishes a system of where projects are stored and labeled
- Keeps writing tracking systems front and center

I tried Fences to organize my desktop

After Fences

Project Tracking is Front and Center

Fences

- https://www.stardock.com/products/fences/ (Where to find Fences)
- https://www.makeuseof.com/tag/windows-desktop-management/ (Seven Free Alternatives to Fences)
